

# BulletScan™ | F600

## The Faster, More Accurate Scanner

30 PPM /60 IPM Color & Black & White

### The Next Generation in Document Scanning

The BulletScan™ product line is the first and only document scanning solution with 1-Click scanning to Google-Docs, YouSendIt, Evernote, and Apple iBook among other cloud-based services. The BulletScan™ Manager software offers advanced image processing features such as AutoCrop, AutoStraighten, and AutoOrient; blank page detection and separation; bar code recognition; AutoColor detection; and stitch front and back side onto one side.

The BulletScan F600 supports the Mac OS and Microsoft Windows operating systems and is powered by the same BulletScan Manager software included in its model S300, named as one of PCWorld 100 Best Products of 2010. The BulletScan™ F600 departmental scanner is ranked by Business Equipment Research and Test Labs (BERTL) as 4.5 out of a possible 5-Star rating. Backed by a 2-year warranty and supported by iVina's U.S. based customer service organization, the BulletScan™ F600 sets the standard for next generation departmental scanning technology in price, performance, ease-of-use, and reliability.

### The Faster, More Accurate Departmental Color Scanner

The BulletScan™ F600 hi-speed duplex flatbed scanner with an integrated 50-page automatic document feeder (ADF) scans up to 30 pages per minute in simplex mode and up to 60 images per minute in duplex mode at 300dpi black and white, and up to 50 images per minute at 300 dpi in color. The F600 includes the award-winning BulletScan™ Manager software, and is powered by ABBYY FineReader® Technology for unmatched optical character recognition accuracy. The F600 is Windows 7 compliant, certified Hi-Speed USB 2.0 interface and includes TWAIN, ISIS and WIA drivers.

### Productivity Right Out of the Box

The BulletScan™ F600 offers a professional bundle of advanced software applications to make you productive immediately. The ABBYY FineReader® Technology quickly turns scanned documents into editable, searchable, formatted text that can be used in virtually any word processing, desktop publishing or web publishing program. Newsoft PageManager is the leading document management and file sharing application for improving your productivity in storing, retrieving and forwarding your digital files. NewSoft Presto! BizCard is a complete contact management tool for helping you stay in touch. The BulletScan™ F600 includes all the software you need to get the job done!
