

BulletScan™ | M40

Photo Scanner

Turn Photos Into Digital Files to Share & Save. No PC Required!

Scan Shoeboxes Full of Photos Quickly and Easily

The BulletScan™ M40 Photo Scanner is for the person who needs to quickly convert photos or paper files to digital files anywhere. Ideal for archiving those family photos or reliving your favorite memories, the BulletScan™ M40 helps you bring your favorite photos into the digital age where they can be easily stored, found, viewed and shared with others.

Easy to Use and Fast Too

Images are automatically cropped and straightened without any software to install. You can scan a 4" x 6" photo at 300dpi in color in under 7 seconds.

No PC Required

Offering the ultimate in portability, the BulletScan™ M40 automatically scans photos directly to USB Flash drive, SD or MicroSD card – there is no PC required in order to capture your photos digitally. The perfect gift for parents and grandparents who want the easiest way to digitize their photos.

Scan Receipts and Business Cards into your BlackBerry

The BulletScan™ M40 handles more than just photos. Instantly convert receipts, businesscards, checks and ID cards to digital files where they can be organized, stored and shared. The M40 has an SD port and includes a MicroSD card adapter, so scanned images saved to MicroSD card can be transferred to your BlackBerry or any other Smartphone that supports SD or MicroSD cards.

Transfer Saved Images to PC, Mac, Digital Frames and More

The BulletScan™ M40 is platform independent. Scanned images saved to the USB Flash Drive or SD or MicroSD card can be transferred to any USB, SD or MicroSD compatible device including Windows PCs, Macs, digital photo frames, cameras, or smartphones.

You Can Take it With You

The BulletScan™ M40 measures 7" x 3" x 2" and weighs less than 5 ounces. Scan up to 500 color images with its optional battery pack before recharging.

Reliability

The BulletScan™ M40 is backed by a 2-year manufacturer's warranty upon product registration and is supported by our U.S.-based technical support and customer service teams.
