

BulletScan™ | M80

The Compact Professional Duplex Color Mobile Scanner

The Next Generation in Document Scanning

The BulletScan™ product line is the first and only document scanning solution with 1-Click scanning to Google-Docs, YouSendIt, Evernote, and Apple iBook among other cloud-based services. The BulletScan™ Manager software offers advanced image processing features such as AutoCrop, AutoStraighten, and AutoOrient; blank page detection and separation; bar code recognition; AutoColor detection; and stitch front and back side onto one side - features normally found on scanners at twice its price.

The BulletScan™ M80 is powered by the same BulletScan™ Manager software included in its award-winning BulletScan™ S300, named as one of "PCWorld 100 Best Products for 2010". Backed by a 2-year warranty and supported by iVina's U.S. based customer service organization, the BulletScan™ M80 sets the standard for next generation mobile scanning technology in price, performance, ease-of-use, and reliability.

Scan It All Wherever You Are

The BulletScan™ M80 is a professional duplex color mobile scanner rated at up to 8 images per minute at 200 dpi in color or black and white. It is designed for the busy professional who needs a faster, more accurate mobile scanner that can be used anywhere because it is powered from your computer's USB port.

Scan receipts, documents, photos and business cards when you're on the road right when you receive them, from light paper stock to plastic ID cards. Scan your hand written document mark-ups, and contracts with your client's actual signature – no need to find a fax machine anymore. The BulletScan™ M80 is incredibly versatile fitting on any crowded desk and in any briefcase or carry-on.

Productivity Right Out of the Box

The BulletScan™ M80 duplex color mobile scanner includes all the software you need to get the job done quickly. The ABBYY FineReader® Technology quickly turns scanned documents into editable, searchable, formatted text that can be used in virtually any word processing, desktop publishing or web publishing program. Newsoft PageManager is the leading document management and file sharing application for improving the productivity in your organization. NewSoft Presto! BizCard is a complete contact management tool for helping you stay in touch.
