

2 Scanners in 1

15 PPM/30 IPM Color or Black and White

The Next Generation in Document Scanning

The BulletScan™ product line is the first and only document scanning solution with 1-Click scanning to Google-Docs, YouSendIt, Evernote, and Apple iBook among other cloud-based services. The BulletScan™ Manager software offers advanced image processing features such as AutoCrop, AutoStraighten, and AutoOrient; blank page detection and separation; bar code recognition; AutoColor detection; and stitch front and back side onto one side - features normally found on scanners at twice its price.

The BulletScan™ S300 was named as one of "PCWorld 100 Best Products of 2010" and also awarded Business Equipment Research and Test Lab's (BERTL) BEST Innovation in Scanning Technology . Backed by a 2-year warranty and supported by iVina's U.S. based customer service organization, the BulletScan™ S300 sets the standard for next generation scanning technology in price, performance, ease-of-use, mobility and reliability.

Perfect in the Office, On the Road, or at Home: 2 Scanners in 1

When the BulletScan™ S300 detachable duplex, color mobile scanner is docked into its integrated automatic document feeder, it scans up to 30 images per minute in color or black and white at 200 dpi. When undocked, it is a fully functional, USB-powered duplex mobile scanner that will scan an 8.5" x 11" document in under 5 seconds. The BulletScan™ S300 scans business cards, receipts, ID cards, photos and documents up to legal-size. The S300 includes 6 customizable Scan-To destinations with 1-Click scanning to email, print, and store settings as well as to the cloud-based services. It is Windows 7 compliant, certified Hi-Speed USB 2.0 interface and includes TWAIN, ISIS and WIA drivers.

Productivity Right Out of the Box

The BulletScan™ S300 scanner includes all the software you need to get the job done. The ABBYY FineReader® Technology quickly turns scanned documents into editable, searchable, formatted text that can be used in virtually any word processing, desktop publishing or web publishing program. Newssoft PageManager is the leading document management and file sharing application for improving the productivity in your organization. NewsSoft Presto! BizCard is a complete contact management tool for helping you stay in touch.
