

BulletScan™ | S400

The Faster, More Accurate Scanner

20 PPM /40 IPM Color or Black & White

The Next Generation in Document Scanning

The BulletScan™ product line is the first and only document scanning solution with 1-Click scanning to Google-Docs, YouSendIt, Evernote, and Apple iBook among other cloud-based services. The BulletScan™ Manager software offers advanced image processing features such as AutoCrop, AutoStraighten, and AutoOrient; blank page detection and separation; bar code recognition; AutoColor detection; and stitch front and back side onto one side - features normally found on scanners at twice its price.

The BulletScan S400 supports the Mac OS and Microsoft Windows operating systems and is powered by the same BulletScan™ Manager software included in the BulletScan™ S300, named as one of PCWorld 100 Best Products of 2010. The BulletScan™ S400 was ranked by Business Equipment Research and Test Lab (BERTL) as a 5-Star Exceptional rated document scanner and was awarded BERTL's BEST Innovation Award for Scanning Technology. Backed by a 2-year warranty and supported by iVina's U.S. based customer service organization, the BulletScan™ S400 sets the standard for next generation scanning technology in price, performance, ease-of-use, and reliability.

The Faster, More Accurate Desktop Color Scanner

The BulletScan™ S400 is a duplex color sheetfed scanner rated at up to 20 pages per minute (ppm) in simplex mode and up to 40 images per minute (ipm) in duplex mode at 300 dpi in color, or black and white. The S400 includes 9 customizable Scan-To destinations with 1-Click scanning to email, print, and store settings as well as to the cloud-based services. It is Windows 7 compliant, certified Hi-Speed USB 2.0 interface and includes TWAIN, ISIS and WIA drivers.

Productivity Right Out of the Box

The BulletScan™ S400 offers a professional bundle of advanced software applications to make you productive immediately. The ABBYY FineReader® Technology quickly turns scanned documents into editable, searchable, formatted text that can be used in virtually any word processing, desktop publishing or web publishing program. Newsoft PageManager is the leading document management and file sharing application for improving the productivity in your organization. NewSoft Presto! BizCard is a complete contact management tool for helping you stay in touch. The BulletScan™ S400 includes
