

BulletScan™ | F200

The **Faster**, More Accurate Scanner

20 PPM in Black and White

The Next Generation in Document Scanning

The BulletScan™ product line is the first and only document scanning solution with 1-Click scanning to Google-Docs, YouSendIt, Evernote, and Apple iBook among other cloud-based services. The BulletScan™ Manager software offers advanced image processing features such as AutoCrop, AutoStraighten, and AutoOrient; blank page detection and separation; bar code recognition; AutoColor detection; and stitch front and back side onto one side - features normally found on scanners at 2x-3x its price.

The BulletScan F200 supports the Mac OS and Microsoft Windows operating systems and is powered by the same BulletScan Manager software included in its model S300, named as one of PCWorld 100 Best Products of 2010. Backed by a 2-year warranty and supported by iVina's U.S. based customer service organization, the BulletScan™ product line sets the standard for next generation scanning technology in price, performance, ease-of-use, and reliability.

The Faster, More Accurate Desktop Color Scanner

The BulletScan™ F200 flatbed color scanner, with its integrated 50-page automatic document feeder (ADF), scans up to 20 pages per minute, includes the award-winning BulletScan™ Manager software, and is powered by ABBYY FineReader® Technology for unmatched optical character recognition accuracy. The F200 includes 9 customizable Scan-To destinations with 1-Click scanning to email, print, and store settings as well as to the cloud-based services. It is Windows 7 compliant, certified Hi-Speed USB 2.0 interface and includes TWAIN, ISIS and WIA drivers.

Productivity Right Out of the Box

The BulletScan™ F200 offers a professional bundle of advanced software applications to make you productive immediately. The ABBYY FineReader® Technology quickly turns scanned documents into editable, searchable, formatted text that can be used in virtually any word processing, desktop publishing or web publishing program. Newsoft PageManager is the leading document management and file sharing application for improving the productivity in your organization. NewSoft Presto! BizCard is a complete contact management tool for helping you stay in touch. The BulletScan™ F200 includes all the software you need to get the job done!
